AVALANCHE OF BALLOTS WINS IKE SECOND TERM

Candidates Receive Record Vote in Warren County

BUT ONE PRECINCT IN FIFTY GIVES MAJORITY COUNT TO THE DEMOCRATIC NOMINEES

The tremendous Republican landslide which re-elected President Eisenhower and Vice-president Nixon spilled over into Warren county to record the heaviest voting in local history. In Warren borough, 6819 registered voters turned up at the polls yesterday to be joined by 9587 county citizens who cast ballots in the most important election of all time.

In every precinct but one, Eisenhower was the leading candidate, gleaming a grand total of 12,060 as compared to Stevenson's 4441. In Warren's 4th ward, Democratic leanings were indicated with 275 for Eisenhower—297 for Stevenson. Fourth ward voters were consistent in other contests, with Democratic candidates maintaining a small margin in their favor. However, Allen M. Gibson, candidate for the State Assembly carried this ward over opponent Tingwall.

Leon H. Gavin will return to the United States Congress to represent the 23rd district for an 8th term. Warren county's voters gave Gavin 11,591 with Democratic candidate Grace Sloan accorded 4997.

Javits Majority in New York State Will Be 450,000

New York (AP)—President Eisenhower piled up a plurality of approximately 1,500,000 votes over Adlai Stevenson in winning New York's 45 electoral votes.

The Republicans also gained a seat in the U. S. Senate as Atty. Gen. Jacob K. Javits defeated Mayor Robert F. Wagner of New York City, Democratic—Liberal candidate, by some 450,000.

Returns Wednesday from 11,071 of the state's 11,132 election districts, with traditionally Democratic New York City complete, gave:

For president—Eisenhower 4,286,301; Stevenson 2,731,562.

For the Senate—Javits 3,679,150; Wagner 3,240,932.

Javits will succeed retiring Democratic Sen. Herbert H. Lehman.

Wagner had aspired to follow in the footsteps of his father, the late Sen. Robert F. Wagner, sponsor of the Wagner Labor Relations Act and other New Deal legislation.

The mayor carried New York City by almost 450,000 votes, but could not cope with the upstate outpouring of Republican ballots.

Veteran John Haluska Loses Bid To Retain Seat

Johnstown (AP)—State Sen. John J. Haluska veteran Cambria County Democrat, yesterday was defeated in his bid for re-election.

With 178 of the county's 187 precincts complete, Haluska had 39,619 votes to 43,093 for his Republican opponent, Atty. Ernest F. Walker of Johnstown.

Haluska administrator of the controversial Hoxsey Cancer Clinic at Portage, Pa., had waged an intensive campaign and had generally been expected to win in the predominantly Democratic county.

All other Democrats to the General Assembly from Cambria County were elected, including Speaker of the House Hiram G. Andrews who polled 13,686 votes in the county's first district. His Republican opponent Gilbert Brown, had 11,636.

Dwindling Crowd of Democrats Cheer Feebly in Final Hours

Washington (AP)—A dwindling crowd of despondent Democrats managed a cheer early today as National Chairman Paul M. Butler told them, "The people will turn to us again."

"We look ahead to the congressional elections of 1958," Butler told those who had remained until 2 a. m. to hear election returns. They found little to cheer about during the long evening, as President Eisenhower's smashing victory became apparent.

The early turnout was large in the big ballroom of the Statler Hotel, which the national committee had rented for the occasion.

But as the mounting returns indicated more and more clearly an overwhelming defeat for their national ticket of Adlai Stevenson and Sen. Estes Kefauver, the crowd dwindled.

When Kefauver and Butler came to have their last say about 2 a. m., there was plenty of standing room.

But those on hand cheered it up. And as Kefauver departed for "many days of relaxation"—he didn't say where—some of the faithful still followed for his autograph and a final pat on the back.

Kefauver said the Democrats had presented the issues to the American people intelligently.

"I have talked with Adlai Stevenson," he said. "I told him he should have no regrets—that he has conducted a magnificent campaign."

Kefauver said that "we shall forthwith begin rebuilding and further strengthening the Democratic party so that we may continue to have vigorous two-party representation."

Man Who Lost Arms on October 28th Votes

Proof that nothing hinders a Warren county voter from going to the polls is contained in this brief story. Edward Stokes, who lost both arms in a tragic accident, October 28th, was taken from Warren General Hospital yesterday to cast his vote in Youngsville.

Two other hospitalized patients, Bert Kofod of the Kofod Piano Shop and Lloyd Rapp, Dartmouth street, were also taken to respective polling places to contribute to the record-smashing turnout.

Nor did age excuse conscientious citizens—E. W. Struley, 91, of 18 Third avenue, cast his vote to create an impressive record. Mr. Smiley was voting for the 70th time, and has never missed using his priceless privilege.

Hungarian Rebels Continue Bitter Battle in Budapest

Vienna, Austria (AP)—Reports of continuing bitter fighting by Hungarian rebels against overwhelming Soviet forces still seeped out of Budapest today.

An Italian newspaper claimed it had succeeded in establishing brief contact with a rebel radio transmitter in the battered Hungarian capital and was informed the fighting still raged.

A diplomatic source in Vienna said he had received information that the rebellion was continuing in several sections of Budapest and other parts of Hungary.

Milan's Catholic Italia said it had received a rebel radio message saying Budapest was still a scene of battle with many Soviet tanks and artillery weapons shelling parts of the town.

Russian tanks and troops launched their attack Sunday to wipe out the Hungarian bid for independence. All telephone and telegraph communications between Vienna and Budapest still were cut. A similar communications blackout covered neighboring Romania.

Protests against the Soviet action in Hungary erupted at Luxembourg, where a group of 2,000 demonstrators stormed into the Soviet legation, tossed furniture out the windows and burned it in the courtyard.

Four Governorships Fall to Democrats

By The Associated Press
With five races not finally decided, Democrats today had wrested four governorships from the Republicans while losing three to the GOP.

Before yesterday's election, Democrats held 27 statehouses, the Republicans 21.

In the 30 states which chose governors this year, the Democrats captured at least 13 and the Republicans at least 12.

Democrats won governorships from Republicans in Massachusetts, Iowa, Kansas and Washington. Arizona, Arkansas, Colorado, Florida, Maine, Michigan, Missouri, North Carolina and Texas stayed Democratic. Kansas chose its first Democratic governor in more than 20 years.

In New Mexico, Ohio and West Virginia, Republicans took over from Democrats. Delaware, Indiana, Nebraska, New Hampshire, North Dakota, South Dakota, Utah, Vermont and Wisconsin stayed Republican.

In Ohio, Republican State Atty. Gen. C. William O'Neill defeated Michael V. DiSalle, Democrat who once was federal price control director. Democratic Governor Frank Lausche ran a successful race for the Senate.

VOTE HEALTH DEPT.

Butler (AP)—Butler County voters by an overwhelming majority voted yesterday to make permanent the operation of a county health department. The vote of 75 of the county's 87 precincts approved the continuation 16,621 to 4,867.

UN ASSEMBLY IS DEBATING MAJOR CRISES

BULLETIN

London (AP)—Reports of continuing shooting shadowed a shaky cease-fire in the Middle East today. Prime Minister Eden told the House of Commons there had been "some shooting" during the day at Port Said in the Suez Canal area. He said Britain had no official confirmation that Egypt accepted a U. N. cease-fire order. The Cairo radio, in a broadcast reported from Beirut, charged that British-French forces were continuing attacks "in defiance of the U. N. call for a cease-fire."

By WILLIAM N. OATIS

United Nations, N. Y. (AP)—The hard-pressed U. N. General Assembly scheduled two sessions today on the two major crises plaguing it—the British-French-Israeli attack on Egypt and the Soviet army's all-out fight to put down rebellion in Hungary.

Nineteen delegations from the Asian-African bloc planned to introduce a resolution demanding that Britain, France and Israel pull their forces out of Egypt immediately.

U. N. Secretary General Dag Hammarskjöld was ready to report that nine nations had promised troops for the U. N. police force authorized by the Assembly to supervise a cease-fire in Egypt.

Hammarskjöld announced last night that Britain and France had ordered their troops in the Suez Canal zone to quit fighting unless attacked. He said Egypt and Israel already had ordered a ceasefire, but Egypt made hers conditional on withdrawal of all foreign troops from her soil.

London (AP)—The Soviet Union offered today to send forces to throw the British, French and Israeli out of Egypt if the United Nations approved.

The new Russian threat of armed intervention, voiced by Marshal Georgi Zhukov, came on the heels of British and French orders to their troops in the Suez Canal zone to cease-fire unless attacked.

Six hours after the order to quit fighting was to take effect at 2 a. m. (7 p. m. EST Tuesday), Allied headquarters on Cyprus said it had no information whether the shooting had actually stopped.

There also was no word from Cairo that the Egyptian government accepted the British-French cease-fire, or was trying to restrain its people. Previously President Nasser's regime had exhorted the Egyptians repeatedly to fight to the death.

Zhukov, the Soviet defense minister, told a Moscow celebration of the Bolshevik Revolution anniversary that his government "calls on the United Nations resolutely to stop the armed aggression of Britain, France and Israel against Egypt."

London (AP)—Soviet Defense Minister Georgi Zhukov today called on the United Nations to crush the British-French-Israeli invasion of Egypt and said Russian troops are ready to join any force set up for the purpose.

Zhukov's statement was made several hours after Britain and France had announced conditional acceptance of a U. N. cease-fire order. The Soviet marshal made no reference to the cease-fire.

Court Hearing Oral Arguments In Moon Case

Judge Alexander C. Flick, Jr., sat in special session of court here this afternoon to hear oral arguments of defense counsel on motion for a new trial for Norman W. Moon.

The 30 year old former Connellsville, Pa., man was found guilty by jury of the slaying of Judge Allison D. Wade in Warren county court house on January 13, 1954, and is at Western Penitentiary while awaiting the result of attorneys' efforts to save his life.

Samuel Braemer, chief counsel for defense, in his oral arguments for a new trial, indicated one of his principal points will be that Judge Flick was "over zealous" in his efforts to fill the jury box when Moon stood trial.

He stated it was his opinion at least four prospective jurors "clearly showed bias" but the Court found no bias and forced the defense to use up its preemptory challenges. Those so named by Mr. Braemer were Hazel Smith, William Lutz, Jr., Harold Bengtson and M. R. Overturn.

He continued his argument with the statement that in the case of the first prospective juror, Bessie W. Knapp, the Court sustained an objection to a question which would have given defense counsel knowledge of whether or not the juror was prejudiced for or against a plea of insanity.

Attorney Braemer told the Court he wanted two weeks in which to prepare his brief for the new trial motion.

Judge Flick would likely take a similar period for study of the presentation and when ready to hand down his decision for or against the trial motion, Moon will be brought into court to hear the decision. If the motion is denied, Moon will face immediate sentence, according to the Court.

Eisenhower Messages Adlai Thanks for Pledge

Washington (AP)—President Eisenhower today messaged defeated Adlai Stevenson thanks for Stevenson's "pledge of cooperation."

Eisenhower sent the telegram to Stevenson's home at Libertyville, Ill.

The defeated Democratic candidate made his promise of cooperation in conceding defeat and congratulating the winner.

Eisenhower's reply said:

"I am grateful for your message of good wishes. In these difficult and uncertain days it is heartening to have your affirmation of the fact that the people of our country are united. I appreciate greatly your pledge of cooperation for the immediate future and for the four years that lie ahead."

By JACK BELL

Associated Press Staff Writer

President Eisenhower won a tremendous second-term victory over Adlai E. Stevenson in yesterday's election but in the battle for control of Congress Democrats held a narrow edge.

Eisenhower submerged Stevenson under a flood of votes which swept over every section of the nation. He appeared certain to win 41 states, as against the 39 he captured in defeating Stevenson four years ago.

That would mean 457 electoral votes to 74 for Stevenson. Four years ago it was 442-89.

The "I like Ike" surge was powerful, but possibly not strong enough to pull the Republicans to victory in the contest for control of the Senate and House.

At 5 a. m. EST, the over-all picture in the battle for Senate, which the Democrats now hold 49-47, looked like this:

Republicans won Democratic seats in New York, Kentucky and West Virginia and were leading for a Democratic seat in Nevada.

Democrats won Republican seats in Ohio and Idaho and were leading in contests for GOP seats in Pennsylvania, South Dakota and Colorado.

Republicans needed a net gain of one seat, which with Vice President Nixon's tie-breaking vote, would give them control of the Senate.

The House picture was even less certain, since many races remained undecided. The Democrats held a 29-seat margin in the House and GOP gains had not yet approached that figure.

With his own margin almost certain to surpass his record 1952 showing, Eisenhower stepped to a microphone in the early morning hours to say he will continue his efforts for peace.

Breathing into a broad grin, he expressed his "most grateful thanks" to those he said had voted for "principles and ideals" and not "merely for an individual."

Stevenson seemed sure of carrying only six states in the Deep South and was leading in Missouri. As returns mounted, Eisenhower was getting 58 per cent of the two-party vote, compared with 55 per cent four years ago.

A little red-eyed, Stevenson formally conceded his defeat at 1:20 a. m.

Eisenhower's victories in the South were attributed in part to the moderate stand he took on the Supreme Court's school desegregation ruling. Eisenhower said at one point it made no difference (Turn to Page Eleven)

Duff Is Among Casualties In Pennsylvania

BULLETIN

Harrisburg (AP)—U. S. Sen. James H. Duff, Republican candidate for reelection, today conceded victory to his Democratic opponent Joseph S. Clark.

In a telegram from Harrisburg to Clark, Duff said:

"I congratulate you on your victory and your opportunity for further public service."

Duff's concession came with 8,781 precincts of 8,807 reporting. Clark had built up a lead of 17,358 statewide.

When told the concession Clark said:

"Naturally I'm happy that Sen. Duff has conceded my election and grateful to him for his telegram of congratulation. 'I don't want to say anything more at this time.'"

Washington (AP)—Democrats put in a strong bid to retain control of Congress today in the election in which President Eisenhower won by a topheavy margin.

Democrats had elected 209 members to the new House of Representatives and Republicans 176 on the basis of the tabulation at 7:30 a. m. (EST).

Democrats were leading in 23 other House districts, including 8 now held by Republicans. Republicans were ahead in 24 districts, (Turn to Page Sixteen)

Congressman Gavin Scores a Sweeping Victory in District

Congressman Leon H. Gavin, of Oil City, scored a sweeping victory in yesterday's general election for an eighth term as representative from the 23rd Pennsylvania district.

In unofficial returns from 307 of the 353 precincts in the seven counties, which comprise the 23rd District, Gavin polled 61,459 votes to Mrs. Grace Sloan's 29,714.

This gave the Republican congressman a better than two to one margin over the Clarion Democrat.

Gavin received 16,973 votes, and Sloan 6,308 in Venango County. This was the second highest vote total polled by any candidate. Only President Eisenhower received

ed more. The president polled 16,614 votes in the county to Stevenson's 5,422.

Gramlich scored a one-sided victory over Grant W. McElhatton, former Oil City postmaster. Gramlich received 15,277 votes to McElhatton's 6,181 in the 77 precincts.

Here's a county-by-county breakdown on the congressional race:

Gavin 1,355, Sloan 756 in Forest County with all 13 precincts reporting.

Gavin 8,698, Sloan 6,156 in Clarion County.

Gavin 13,920, Sloan 5,341 in McKean County with all 54 precincts reporting.

Mirrored in Our Times

We note that most of the borough schools are being readied for National Education Week beginning Sunday. This is the grand opportunity for parents to visit the rooms; become better acquainted with their children's teachers and to view the remarkable work accomplished by our youngsters. Such "Open House" affairs, in most cases, take the place of regular monthly PTA meetings, and warrant a big turnout from mothers, fathers—even grandparents! Let's support the week's events.

Those who have lived through times of war, can now recall public reaction during rationing and shortages. Remember how people stood in line to secure foodstuffs, cigarettes and nylons. There was a sense of urgency and complacency one simply had to secure what was available. Today, after controls were lifted on the general availability of the Salk vaccine against polio, folks seem to have lost their sense of urgency and complacency and put off having the inoculations. When not everyone could secure the vaccine, the demand was terrific. Although most children are now protected against the dread disease, adults (under 40) have failed to protect themselves. In estimating the cost of such vaccine, it is a far cry from what the financial plight would be should the family breadwinner or the mother be stricken. During the big Chicago epidemic this summer, a great percentage of those stricken by polio were adults.

As a public service feature, the Warren Drug Store, urges that every member of every family contact their doctors and arrange for polio vaccine inoculations. It's a simple process and you owe it to yourselves to take care of the vitally important matter now!

Once again the big annual Auto Show will be a local feature, with the 40th at hand at work to make this, the fourth, bigger, better and more spectacular than ever before. As for the 1957 models, they're really different—and what man or woman can resist looking them over. There will be many more details about the auto show—in the meantime—save the dates

—Friday and Saturday, December 7 and 8 at Beauty cafeteria.

Seen at every civic gathering; noted in the town's most distinguished gatherings; and admired by all—is the man whose appearance speaks for itself. Well groomed, suitably attired and in tune with the changing times. The best dressed men are those who stop—at The Style Shop—your center for fine menswear.

Proof that Warren merchants can be counted on for the unusual in holiday gift items was visible as the Jaycee Auxiliary committee members collected a wonderful variety of new and novel things around and about town. From a "solid gold toothpick" (for the man or woman who has everything) to a clever and practical sportsman's assortment of imported food delicacies, the display is truly remarkable. Better start looking around for yourselves—now's the time to locate what you want.

BANQUET TICKETS

Tickets for the Youngsville football banquet, to be held at 6:30 p. m. Thursday in the elementary school gymnasium may still be had from Don Aberg, Bob Oshlenschlager, Rex Agnew, Lyle Johnson, Coach Fralick and Mac McCollough. A turkey dinner, a good speaker in the person of Coach Joe DeFibo of Thiel College, and a couple of football films are the chief attractions.

Former Resident Hurt in Accident Could Use Letters

Friendly cards and letters may help jog Joseph DeVaul back into contact with reality.

The 21-year-old former Warren resident is still in a dazed condition at Brooks General Hospital, San Antonio, Texas, where he has been recently transferred following a bad auto crashup September 29th.

Doctors have said that only prayers and letters have a chance to bring the dazed boy's mind back to reality. Suffering from a concussion, the young man is not able to correlate written words from friends with the sender and all correspondents are asked to enclose a picture of themselves with their messages. In that way, doctors feel his mind has a chance to once again come into focus.

The boy's address is Annex 4, Ward 42-A, Brooks General Hospital, San Antonio, Texas. He was serving with the United States Army as a private first class at Fort Hood, Texas, when the mishap occurred. Joseph is the son of former Warren residents, Mr. and Mrs. Joseph DeVaul, Sr., who now live at West Babylon, Long Island. Two aunts, Mrs. Charles Tingwall and Mrs. Thomas Youngquist, still live in this vicinity.

The many friends of the injured person are thanked for the messages they have sent so far and are reminded once again to enclose a small snapshot with their letters.

Chautauqua County Backs Republicans With Pluralities

Jamestown, N. Y.—Chautauqua

County voters gave pluralities of

"landslide" proportions to national

state and county Republican

candidates.

Pluralities well in excess of two

to one are indicated in unofficial

tabulations.

President Eisenhower received

43,976 votes to 19,258 for Adlai

Stevenson in the 113 county districts.

His margin was greater than in 1952 when unofficial returns

showed 41,619 for Eisenhower to

23,104 for his opponent.

Jacob Javits was accorded a

substantial margin over New York

Mayor Robert Wagner in the close

race for the U. S. Senate. Javits

received 38,258 votes and Wagner

24,298.

Congressman Daniel Reed, who

is being returned to Congress for a

20th term, polled 41,168 votes to

18,404 for Joseph Lynch.

State Senator George Pierce and

Assemblyman Bruce Manley were

accorded comfortable margins.

Manley totaled 41,329 to 18,936 for

Milton K. Sigworth. Pierce totaled

36,094 votes to 19,656 for Anthony

DeRose.

Leading in the balloting for

county office was Sheriff Charles

C. McCloskey, Jr., who received

43,791 votes to 17,359 for Louis

Iannelli. Rollin Fancher was

selected as county judge, polling 40,

374 votes to 19,691 for Edwin

Kuzdale.

In local contests, Edith P. Jern,

Republican, was chosen as town

of Dusti clerk, defeating Allene

Johnson, Democrat. For super-

visor, city of Dunkirk, Peter Toti,

Democrat, defeated Robert Mc-

Caig, 2,910 to 773.

Individual tabulation of the vote

for other county candidates had

not been completed at Sun press

time. The margins, however, were

in the same safe range accorded

winners for the national and state

offices.

Stevenson Takes the Crushing Defeat With Quip on His Lips

By ERNEST B. VACCARO
Chicago (AP)—Adlai E. Stevenson took his second crushing defeat at the hands of Dwight D. Eisenhower today with a smile on his face and a quip on his lips. It wasn't that it didn't hurt—he frankly confessed his disappointment before a nationwide TV audience—but you could tell he had known for days how it would all turn out.

But, he told hundreds of disheartened Stevenson volunteers jammed into the big Hotel Conrad Hilton ballroom—and millions who watched on their television sets—our cause will ultimately prevail.

Would he try for the presidency again?

"I'm a candidate for bed," he responded lightly to the reporter's query.

His more formal note was sounded shortly after midnight when he left his suite at the Sheraton-Blackstone Hotel and walked across the street to the Conrad Hilton to tell hundreds of mournful followers:

"To you who are disappointed tonight, let me confess that I am too. But we must not be disheartened, for there is radiance and glory in the darkness, could we but see, and to see, we have only to look."

A burst of applause welled up over the ballroom. Women wept openly. Men got out their handkerchiefs and blew their noses furiously.

This was a moment such as

could only come at the hour of defeat for a presidential candidate whose followers hold him in endearment.

Stevenson, it may be said now, had known for days that he couldn't whip Eisenhower this year, just as he had known in advance, the popular general of World War II would overwhelm him in 1952.

But he breathed outward optimism, up until the end, making the toughest fight he could for a man whose scholarly tastes gave him little taste for some of the tough things he felt he had to say.

Election Removes One Major Uncertainty Plaguing Business

By SAM DAWSON
New York (AP)—Two of the major uncertainties plaguing business in recent months have been removed today.

1. Business now knows which party will be in the White House for the next four years and the make up of the Congress for the next two years. Uncertainty over that sent tremors through the stock market a number of times this year.

2. The gullible who were wondering if the Russians had changed their spots now know they haven't. Events in Hungary show that the Russians still behave like Russians. Presumably our foreign policy and business planning can now be tailored to fit the confirmation of that knowledge.

With the election over, the open season for soothsaying gets under way. From now until Christmas industrial leaders, economists and about everyone else will predict what's in store for business, for the employed and the unemployed.

Unhatched statistics will be counted all over the place.

The trouble with the announced statistics, as far as the soothsayer is concerned, is that they show where we have been.

What those addicted to predicting the future of business need are statistics showing where we are now and where we are going.

Many economists arrive at these by projecting the past statistics into the future—a process about on par for accuracy with long range weather forecasting.

Not all of the uncertainties have been removed today by and means. There is the big question whether they will just be opening the door for increased Russian penetration of the Middle East and even of the Far East.

There is the uncertainty as to how long the Russians will get by with their occupation of Eastern Europe—even tanks and planes may not be able to hold a subjected people against its will for ever.

At home there is the uncertainty still as to how the consumer will react to the slowly but steadily rising prices on many items that he would like to but could live without.

And undoubtedly uncertainties as yet unborn will come forth. American business has lived so long with one crisis after another as to expect new ones to arrive almost as regularly as the seasons.

Harrisburg, (AP), Nov. 6—State Sen. M. Harvey Taylor (R-Dauphin) Senate president pro tempore and former Republican state chairman, was re-elected to a fifth four-year term in the State Senate. First Oboler Work Is Slated for Home Screen Saturday

By CHARLES MERCER
New York (AP)—Someone said the ideal time in history to have lived would be the Victorian era "with penicillin." But Arch Oboler believes the best time to live would be 10,000 years hence "because you wouldn't have to add any 'with' to it."

Oboler, you may remember, was one of the first and most talented of radio script writers to explore the mysteries of space and future eons. He has examined it in more than 800 radio dramas—but 'not yet on television.

The first-Oboler work to be visible on the home screen is slated for the Jackie Gleason show (CBS-TV) next Saturday—8 p. m., EST. Not a drama, though nevertheless dramatic, it is entitled "A Prayer For the Atomic Age."

Meanwhile, his first Broadway play will open in Washington Nov. 12. Entitled "Night of the Auk," it stars Claude Rains, Wendell Corey and Christopher Plummer. It is concerned with a time after some tomorrow when space ships are a reality.

"It will be a wonderful time in which to live," and Oboler. "Individuals will participate in life much more than they do today when so many are merely spectators, suffering from 'sititis.' Then humans will move freely in space, transmitted as easily wherever they want to go as television images are transmitted today."

Oboler said he thought about "Night of the Auk" for five years and then spent two years writing it. His interest now is primarily in the theatre, he said. Television drama?

"It's an exciting medium," he said. "The only trouble with it is that a writer meets with so much interference. In television everybody becomes a genius. A man who once saw a play puts on a Madison Avenue suit and suddenly becomes an expert in drama. It's only accidental when a television play comes out the way the writer wrote it."

Letters to Editor

Letters to the editor must carry the complete name and address of the writer as an evidence of good faith. If possible they should be typewritten, preferably double spaced and on one side of the paper. Pen names will be permitted at the editor's discretion. Letters of less than 250 words will be given preference, and all letters are subject to condensation and editing. Letters containing obvious misstatements or lacking in good taste and fair play will be rejected. All letters will be considered the property of the newspaper.

The Editor
Warren Evening Times
Warren, Pennsylvania

Dear Sir:

As the author of the Warren High School Alma Mater, may I express my appreciation to the High School Student who referred to my sentimental attachment to the twin towers that inspired the lines:

"High in air thy spires are
towering
Gleaming in the light..."

I hasten to make it clear to the student body, the alumni, and the citizens of Warren in general that I would have no reservations—and in fact very few pangs—if both towers were completely removed as well as the rest of the venerable structure in order to make way for a new, modern, adequate high school home.

In fact, when the High School is completed on the new site, I hereby offer to compose and present to the student body a new Alma Mater song for their use and adoption if it meets with their approval.

My best personal wishes to you and to many friends in a fine old town.

Sincerely yours,
Ernest Nathan

Local Club Members Will Observe Birthday of Zonta International

On Thursday, the Zonta Club of Warren will hold a dinner meeting at the YWCA in observance of the "birthday" of Zonta International. Women had their first big opportunity to prove their ability in the business and professional world during World War I, and they performed so well that their permanent participation in more and more phases of the work of the world was inevitable.

On November 8, 1919, a group of young women who had proved their ability as executives in various fields and professions, gathered in Buffalo, New York and established the organization now known as Zonta International, a one-of-a-kind classified service organization of business executive and professional women. They came from nine cities in three states—New York, Pennsylvania, and Michigan. As individuals, they realized their civic responsibilities and they wanted to play a larger, more intelligent and more active part in the development of their communities. By working as a group, they believed, the efforts of each individual would gain in effectiveness.

On November 8, 1956, the 37th birthday of Zonta International will be celebrated by 340 clubs in 13 countries—Canada, Chile, Denmark, England, Finland, France, Germany, Iceland, Norway, The Philippines, Sweden, Switzerland, the United States and the Territory of Hawaii.

Some of the outstanding women members of Zonta in the United States are: Mrs. Consuelo Northrop Bailey, Burlington, Vt., lawyer, lieutenant governor of Vermont.

mont, the first woman ever elected a lieutenant-governor of a state (1954); Dr. Katherine Blodgett, Schenectady, N. Y., physicist, developer of non-reflecting glass; Jacqueline Cochran (Mrs. Floyd Oldum) Riverside, Calif., aviatrix, first woman to fly faster than sound; Dr. Rosemary Park, New London, Conn., educator, president of Connecticut College for Women; Mrs. Sarah Corbin Robert, Annapolis, Md., parliamentarian, trustee of "Robert's Rules of Order."

Members of the Zonta Club in Warren are: Estelle Roswell, president; Dorothy Belknap, vice president; Leota Clark, secretary; Anne McClure, treasurer; Grace Aberg, MayBelle Barstow, Ethel Baldensperger, Bertha Christensen, Mary Corah, Alice Davis, Mary Dickerson, Anna Donahue, Irma Eba, Claire Elliott, Elverda Flagley, Koula Geracimos, Helena Iseman, Mabel Lucke, Lucille McLaughlin, Agnes Moe, Florence Monroe, Beulah Nichols, Lillian Offerle, Evelyn Overturf, Marguerite Painter, Marian Robertson, Lena Schaffer, Irene Schreck, Eleanor Schultheis, Adelaide Swanson, Lenore Thurston, Martha Topper, Mary Topper, Eleanor Watt, Doris Weiler and Georgia Coyne.

Sisterhood Plans Chanukah Party For December 1st

The Sisterhood of Tiphereth Israel synagogue held its monthly meeting Monday evening in the social rooms, with Mrs. Norman Gross presiding.

It was announced the group will hold its annual Chanukah party at 9:00 p. m. Saturday, December 1. All members and husbands are invited to this social affair, which will include entertainment and a midnight supper.

Mrs. Fred Greenwald and Mrs. Bernard Goldberg are to be in charge of the program, assisted by Mrs. Bert Levinson, Mrs. Gross and Rabbi Fred A. The food committee is headed by Mrs. Hershel Kanovsky and Mrs. David Demel, aided by Mrs. Ray Stein, Mrs. Abe Schwartz and Mrs. Harry Segel.

The membership voted to give up the exchange of gifts at the December meeting and to donate an equivalent amount of money to a charity.

Miss Olive Bostrom, supervisor of occupational therapy at Warren State Hospital, was guest speaker for the evening's program. She spoke on the duties and aims of her profession, and exhibited articles made by patients at the local institution, her entire presentation proving most interesting to the group.

To conclude the evening, refreshments were served by the hostesses, Mrs. Louis Segel, Mrs. Harry Segel and Mrs. Abe Schwartz.

Public Support of Jaycee Auxiliary Benefit Is Asked

Since all proceeds from tonight's "Santa's in the Swim" benefit party at Beatty Junior High School cafeteria are to go to the Community Swimming Pool Fund, the public is asked to support the project financially and, at the same time, share in the fun arranged by the sponsoring Jaycee Auxiliary committee.

Dessert will be served promptly at seven o'clock, followed by cards. As a special added attraction, the committee has rounded up from local merchandising establishments an imposing array of Christmas gift suggestions which will be modeled or shown by Auxiliary members. Acting as commentator, Mrs. W. E. Rice will introduce many unique innovations in the holiday remembrance line.

Tickets for the event may be had at the door at Beatty or may be secured in advance by calling Mrs. Alan Buerkle, 4436.

Pleasant PTA Votes To Sponsor Safety Patrol

Mrs. E. C. Slick was elected president of Pleasant PTA last evening to fill the office left vacant by the resignation of Mrs. Glen Nelson. Mrs. Nick Staniko, vice president, conducted the business session including routine reports, announcement of a school hot dog sale Thursday, November 4, and naming of Mrs. Paul Henning as institutional representative for the Pleasant Club Scouts.

Mrs. Norman Honhart, chairman of the nominating committee, presented Mrs. Slick's name for president, and she was unanimously elected, installed in office by Mrs. Collette Dickerson and took charge of the remainder of the meeting.

Archie Hunter, principal of Lincoln School at Clarendon Heights, was present to acquaint the parents and teachers with the primary aims and purposes of the School Patrol. Speaking from 27 years' experience, Mr. Hunter recommended the School Patrol system as a means of not only maintaining safety measures but of teaching safety rules to the boys and girls.

He concluded with instructions on method of organizing the patrol and obtaining belts and badges from the A. A. A., sponsors of the system.

Following this instruction, members voted to try the system and plans were made to order belts, badges and caps and plan a special ceremony for installation of patrol and presentation of the

Need for Appreciation Is Paramount in a Woman

FOR my men readers who confess that they just don't understand women, here are a few fundamental facts:

A woman not only wants to know that her man loves her, she wants her women friends to know it, too. That is why a woman appreciates gifts ("my husband gave it to me"). This is also why she gets so upset if her husband is the least bit critical of her in front of others and why she raises the roof if he pays too much attention to another woman at a party.

A woman lives for praise and appreciation. Find fault with her and she is hard to live with. Tell her she is wonderful and she'll break her neck trying to be a perfect wife.

A woman needs to be needed. She is often at her best when the going is rough and when her husband needs her help, her encouragement, and her ability to make the best of things. The reason why she often seems to grow dissatisfied and frustrated when the uphill struggle is over is simply because she no longer feels needed.

HOME IS OF VITAL IMPORTANCE

A WOMAN who is crazy for THINGS, who has to keep ahead of the Joneses, who is never satisfied with what she has, is a woman who doesn't feel loved. As long as a woman is sure that she is loved, THINGS aren't of paramount importance.

A woman doesn't really want to be boss. She is never as proud of overruling her husband to get her own way as she is when she's able to say, "John simply put his foot down."

A woman's home is as important to her as a man's career is to him. That is why she will spend weeks trying to find just the right shade of material for the living room draperies. Also that's why she will be so frustrated if her husband doesn't notice them the minute he walks into the room. It is as big a blow to her as it would be to him if she failed to grasp the importance of a business deal he managed to put over.

Women aren't really so hard to understand—not if a man expects them to act or think like men.

Here's a Tomboy-Proof Room—

BY KAY SHERWOOD
NEA Staff Writer

If you tackle the task of tidying up the children's room with the feeling that you're marching to your personal Waterloo, maybe it's time to reappraise the set-up to see how things could be made simpler.

Fresh, bright colors, durable decor that can withstand the onslaughts of energetic youngsters and an extra storage unit for toys or toys can lift your spirits while helping to lighten the cleaning load.

WITHOUT ALLOTING too much time to the project, you can do most of the transforming yourself. Tough, colorful plastic fabrics which can be purchased by the yard are worth investigating for a variety of applications.

I didn't know until recently that fabric-backed vinyl can be applied to walls with paste (recommended by the manufacturer) to make a practically permanent surface very resistant to soil or damage.

USED AS A wainscoting on the walls, it protects the most vulnerable areas within reach of crayons, pencils and chalk. And there is a wide range of colors and textures available in the plastic covering.

More perishable wallpaper or paint can be used above the wainscoting where it will be, theoretically at least, out of the reach of little fingers.

I don't expect ever to lick the problem of what to do with all the little doodads small youngsters collect, but it helps to have a place where the collection can be tucked out of sight temporarily.

One hideaway which presents itself is a hollowed-out hassock which can double as seat and

"Durable" is the way to describe the furnishing of this room for an energetic tomboy. Tweed-textured vinyl is used for wainscoting and top of the lightly padded window seat, which is also a chest of drawers. Smooth-surfaced vinyl covers the table and white hassock is covered in plastic.

added storage space. Another possibility is a low, two-drawer, unpainted chest which can be painted or given a natural finish.

THE ONE I'm working on will be used for clothing as well as for some of the more-favored dress scarves, shawls and costumes.

I plan to pad its top against the day when we may want to use it in a modular arrangement with bookshelves.

The Vinyl Fabrics Institute tells me I can do this easily and inexpensively with cotton batting and a length of supported or un-

A MATCHING piece of the plastic can be used to cover a wooden play table, both for its decorative effect and for its value as an easily scrubbed surface. Just pull it taut over the table top and tack it down tight.

If one table will be used by two or three youngsters in the family, an inexpensive, replaceable cover such as this helps, I think, to lengthen the life of the table.

Furry Fabric Jacket
For Cold Days Ahead

Perhaps the nearest thing to owning mink these days is to pick one of the pile fabrics in a combination of orlon and dyneel that looks like mink. This is Princeton's Mutation. It's lightweight and warm, has been cut into a jacket with notched collar, butterfly cuffs and slit sides. We show it here in amber.—By GAILE DUGAS, NEA Women's Editor.

North Warren Auxiliary Raising Pneolator Fund

Endeavoring by several means to raise funds with which to provide a pneolator for the North Warren Volunteer Fire Department, the Ladies' Auxiliary voted at last night's meeting to continue sponsoring a series of dances which will be open to the public.
Mrs. Ann Ward and Mrs. Erla Swanson will be co-chairmen for the monthly dances, with Auxiliary members providing free refreshments for each affair.
Next in the series will be on Saturday, November 17, with music by the Ford Winner Trio and Leslie Akeley calling square dance sets.
The Auxiliary extends its thanks to friends supporting the dances and those who have placed coins in the Pneolator Fund milk bottles. Proceeds to date stand at \$77.39, toward a goal of \$400, and the Auxiliary reminds no gift is too small if it will help the firemen secure equipment that will save just one life.
In connection with the project theme of the evening, members witnessed a very interesting demonstration of an MSA pneolator by William Coole.
Also during their business session, members voted to sponsor a Christmas celebration for children of the community, details to be worked out and announced later.

New "Certified Mail" Service Great Success, Survey Shows

A special survey report on new "Certified Mail" service of the Post Office Department has shown it to be a great success. Postmaster General Arthur E. Summerfield announced today.

Certified mail provides important advantages of registered mail at less cost, including proof of delivery.

It is designed particularly for mail for which the sender desires this proof of delivery, but which is normally replaceable and which has no intrinsic value—such as receipts, notices, documents, legal papers and so forth.

The new service, one of more than 75 mailing improvements provided for the public since 1953, began June 6, 1955.

The volume of Certified Mail has now reached approximately 20 million pieces a year.

In addition to the basic Certified Service, several auxiliary services have been extensively used by the mailers, Mr. Summerfield said.

The basic service costs 15 cents plus postage, 18 cents in all for the average letter. The letter carrier who makes delivery obtains, on a special form, the signature of the person to whom delivered, as proof of delivery. This is kept on file at the local post office from which the mail is delivered.

For an additional 7 cents at the time the sender deposits his Certified Mail—22 cents plus postage—he will receive a return receipt signed by the addressee.

Also, a special type of return

receipt service is available. For 31 cents plus postage the sender gets back a receipt which shows the address where delivered in addition to the signature of the addressee and the date of delivery.

In addition to providing special services at nominal costs for a great deal of material which mailers formerly had to send at higher registered mail rates, the new Certified Mail service has assisted the postal service in its operations, Mr. Summerfield said.

It has freed the registered mail system of much mail material of no intrinsic value for which the elaborate, detailed security methods prescribed for registered mail had to be provided needlessly, he explained.

For mail containing valuables—such as cash, negotiable securities, materials which are irreplaceable, etc.—the Post Office Department still recommends use of registered mail. But where the material being sent out is of no intrinsic value, Certified Mail offers many opportunities for savings, Mr. Summerfield added.

made this morning, Assemblyman Gibson said: "The election result was very gratifying and certainly was an expression of confidence in the President and his administration."

Mr. Gibson continued: "In Warren county, I want to express my appreciation of the splendid job the committeemen and their workers did in every precinct—also the magnificent cooperation and effective work of the women of the Warren County Republican Council. Although space does not permit my listing the countless individuals who contributed to this successful campaign, I would like to give specific credit to such people as Sunny Lucia, vice chairman; Mina Rieder, president of County Council; the district chairman and officers of the county committee and to those who helped at district meetings throughout the county: Burgess William E. Rice, Judge Alexander C. Flick, Jr., and many, many others, who, though not mentioned by name, worked diligently toward a Republican victory."

A capacity crowd held forth at Republican headquarters here last evening, receiving national returns via TV and county returns which were relayed by phone from the Court House and posted on a bulletin board. County Council ladies served coffee and donuts.

The Commissioner's office, usually a scene of bustling activity and shifting crowds, was fairly quiet during the later hours as returns began to pour in. Most of the populace remained at home or watched the tide turn at headquarters.

No official accounting of Republican campaign expenses is available today, but the report will be filed in the very near future. During previous campaigns, the Warren County Republican committee has expended in the neighborhood of \$3,500. The current campaign was conducted on a somewhat smaller amount. Some 14,000 "I Like Ike" buttons were distributed and all leaflets have vanished from the premises.

Congressman Gavin, who lost but two of the county's precincts in 1952, picked one up yesterday when one district in Mead returned to the Republican fold.

Gavin 6,564, Sloan 4,070 in Elk County with only five of the 32 precincts still to report.

Gavin 11,391, Sloan 4,987 in Warren County.

Gavin 6,812, Sloan 4,418 in Jefferson County with 54 of 74 precincts reporting.

Mrs. Sloan failed to carry one precinct in her home town of Clarion, in spite of the fact that she was the first citizen of that community to seek national office.

Early today Congressman Gavin issued a statement, a portion of which follows:

"I want to take this opportunity to thank the good folk of my district for the fine support given me since I have been privileged and honored to represent the 23rd District of Pennsylvania in the Congress of the United States.

"I am most grateful and I sincerely hope that by my work I can continue to merit the great confidence and faith imposed on me by representing the people of my district in the Congress of the United States.

"County Chairman Richard C. Frame and the county committee have turned in a magnificent performance and have earned and deserved our sincere thanks for the Republican victory in Venango County."

Eagles Lodge Is Sponsoring Tag Days for the Cancer Fund

Warren Lodge of Eagles is sponsoring a TAG DAY for funds to fight cancer on Friday and Saturday of this week.

Proceeds will go to the Damon Runyon Memorial Fund for Cancer Research, Inc.

The following is a statement prepared by the founder of the fund, columnist Walter Winchell:

Ten years ago on December 10, 1946, Damon Runyon died. A few days later, on December 15, 1946, I asked my listeners to send their nickels, dimes and dollars to build a living monument for those who suffer from cancer as Damon did.

In our first 10 years, contributions from Mr. and Mrs. America reached \$11,500,000.

The members of the Fraternal

Order of the Eagles and their Auxiliaries have been our constant allies—the Damon Runyon Fund Santa Claus.

We cherish the partnership over the years in the name of all those who suffer from cancer. Your continued help will hasten the day when research will find the control of this killer.

To date, \$10,337,179 has been allocated in 687 grants and 363 fellowships in 219 institutions in 48 states, the District of Columbia and 17 foreign countries.

There are never any deductions of any kind from the contributor's dollars to pay the operating expenses of the Fund, and every penny contributed is used to support cancer research.

Just as you have sought contributions in every area, we are using these funds to support cancer research in every competent institution—without any deductions for expenses of any nature.

We thank you on behalf of all those threatened by the killer cancer.

To all of you—Thanks—
WALTER WINCHELL

Democrats Appear

whether he endorsed the opinion or not, it was the law of the land.

Eisenhower's personal popularity was credited with having played a major part in the lopsided verdict by which the voters endorsed the Republican "peace and prosperity" campaign theme. International crises in Egypt and Hungary also appeared to have been factors in his victory.

The vote results seemed to have buried most of Stevenson's campaign issues, particularly those revolving around his description of Eisenhower as one who never had the inclination and now lacks the energy to give full time to the presidency. Others were his contention that the Eisenhower administration pampers big business, his espousal of rigid farm price supports and his suggestion that the United States move toward ending of hydrogen bomb tests.

Eisenhower's re-election made Nixon one of the top contenders for the party's 1960 presidential nomination.

Youngsville Club Completing Plans For Charter Night

Arrangements for the coming Charter Night festivities are moving along smoothly, it was reported to Youngsville Kiwanians at their dinner-meeting Tuesday evening in the Methodist church dining room.

In addition to 32 members, the attendance included two Key Club members from the high school, Julius Flow and Mike Kerchak; also Joseph Passaro, principal of Warren High School; and the guest speaker, Tom Endress, of the Harleysville Mutual Casualty Company.

Following dinner, group singing was led by Hugh Sherwood, Dr. Richard Peters passed out candy bars recognizing the birth of an eight pound, 15 ounce son; Secretary Waide Ingols stated December 6 is the deadline on committee reports.

Introduced by H. H. Husted, Mr. Endress gave a fine talk on "Traffic Safety" and showed a film, "The Perfect Crime."

Immediately following the meeting, board members held a business session, and the Charter Night committee had a get-together.

Industry Deaths Continue To Rise In Pennsylvania

Fatal accidents in Pennsylvania industries rose to 71 in August, an increase of 20.3 per cent over the 59 fatalities in July, Secretary of Labor and Industry, John R. Torquato announced today. He said this was 31.5 per cent higher than the 54 deaths recorded in August 1955.

Disabling work injuries reported to the Bureau of Workmen's Compensation rose to 7,991 in August from 1,083 during the previous month, an increase of 12.3 per cent. In the same month last year, 8,338 workers suffered lost-time injuries. Compared with the monthly average figure for 1955, total injuries for August were up 14.2 per cent, Torquato also noted.

Non-Manufacturing—Both manufacturing and non-manufacturing groups reported increases. In manufacturing, the number of work injuries rose to 3,205 from 2,659 in July and in non-manufacturing to 4,786 from 4,424. Non-manufacturing business accounted for 59.9 per cent of the total injuries and 69.0 per cent of 49 of the fatalities in August. Construction and contracting firms led all others with 1,209 workers injured, including 11 fatal cases; retail trade industries reported 648 injuries with one fatality; and state and municipal governments, 505 injuries with 7 fatal cases. In manufacturing, iron and steel industries reported 1,044 work injuries with 7 deaths, and food and kindred products firms, 424 injuries with 2 fatal cases.

Agency Associated with Accident—Sixteen workers were killed and 978 disabled as a result of accidents involving vehicles used in industry, accounting for 12.4 per cent of all injuries in August. Power working machines were the second largest group with 810 injuries, or 10.1 per cent of the total, and hand tools were involved in 709 accidents or 8.9 per cent. The category including various types of working surfaces was the fourth leading agency with 646 cases, or 8.1 per cent of all in-

Memory of Will Rogers Lives On in Historic Claremore 21 Years After His Tragic Death

By LARRY FRIEDMAN
Claremore, Okla. (AP) — The memory of Will Rogers still lives on in this historic northeast Oklahoma town and throughout his native Oklahoma although it was 21 years ago he met tragic death in a plane crash.

Tomorrow is the 77th anniversary of his birth, but this year's main celebration is today. Twenty-nine high school bands and some 3,000 persons will parade before assembling at the Will Rogers Memorial on the edge of the city.

There a wreath will be laid on his tomb by the Pochontas Club, a group of women of Indian descent, many of whom played with the cowboy humorist in his youth. The whole affair is sponsored by

the Dog Iron Club, formed to perpetuate the brand of citizenship embodied in Rogers. The club's name comes from the Rogers family cattle branding symbol.

Will Rogers and his flying pal, fellow Oklahoman Wiley Post, died in a plane crash near Point Barrow, Alaska on Aug. 15, 1933.

The late U. S. Sen. Alben Barkley of Kentucky, in a speech at the hall of fame ceremonies in Washington in 1939, remarked of Rogers:

"There is no statute in the laws of our nation that bears his name, and yet I dare say that he wove his way into the hearts of more men and women in this nation than can be said of any man whose name plaques the pages of

our statute books with the laws which he himself sponsored."

Rogers was a unique figure—cowboy, actor, rope-twirler, a philosopher with a cracker-barrel wit and a gentle sarcasm that never-the-less tore through any of the sham and pompousness by the high and the mighty.

Politicians were his favorite targets. He was born Nov. 4, 1879, a voting day. He once remarked: "Being born on election day, it kinder gave me the advantage of seeing the bunk in it all."

National Football League Does Not Boast Balanced Division

By JIM KENSIL
The Associated Press

Every promoter's dream—a balanced league—is merely a wishful thought this pro football season.

With just about half the games in the record books after Sunday's five-game card, the National Football League, despite inter-conference play, cannot even boast a balanced division.

Four of the 12 league teams hold 60 per cent of the victories, and two are in each conference. Furthermore, no other team has more wins than setbacks.

Detroit is the big winner among big winners. The unbeaten Lions, Western Conference leaders, grabbed off their sixth straight by topping the San Francisco 49ers 17-13 on the West Coast.

Several hundreds miles to the south the Chicago Bears stayed one game off the western pace with a 35-24 decision over the Los Angeles Rams. The Bears are 5-1 and haven't lost since opening day when Baltimore knocked them off.

In the Eastern Conference, New York's Giants and Chicago's Cardinals remained deadlocked for the top at 5-1 as both checked in with triumphs over division opponents. The Giants edged the host Pittsburgh Steelers 17-14, and Chicago rolled over the visiting Philadelphia Eagles 28-17.

The Cleveland Browns broke a three-game losing streak and moved into a three-way tie for fourth in the East with a 24-7 upset of Green Bay's Packers at Milwaukee. Cleveland is now 2-4, as are the Eagles and Steelers.

Washington and Baltimore were idle.

Veteran Leon Hart and rookie Hopalong Cassidy carried the load for the Lions. Hart talked twice on short-yardage plunges. Bobby Layne, Lion quarterback, contributed two extra points and a field goal. The 49ers featured Joe Arenas' 90-yard kickoff return.

Punchless Philadelphia jumped off to a 3-0 lead on a field goal by Bobby Walston and then faded. The Cards took over after the first period and before the final gun Lamar McHan had passed four times for TDs.

A field goal by Ben Agajanian provided the difference for the Giants.

Redlegs' Bailey Is National League's Soph-of-the-Year

New York, (P)—Ed Bailey, who contributed 28 home runs to Cincinnati's major league record-equaling output of 221 today was voted the National League sophomore-of-the-year for 1956.

The 25-year-old catcher drew 71 votes and barely beat out Ken Boyer for the award. The St. Louis third baseman was named on 68 of the 206 ballots cast by members of the Baseball Writers Association of America participating in the annual Associated Press poll.

Pittsburgh outfielder Bill Virdon, the NL rookie-of-the-year in 1955, wound up third in the voting with 57 votes. Relief pitcher Don Essent received five votes and Roberto Clemente, another Pirate outfielder, four.

5 Teams Quit The Olympics

London (P)—Five teams have withdrawn from the Olympic Games and one other is debating pulling out as time for the world's biggest sports spectacle approaches in Australia under the black cloud of increasing international tension.

Latest countries to quit the Olympic Games are Communist China, Holland and Spain. Egypt withdrew its team Aug. 12. Iraq pulled out Nov. 3 because of the grave Middle East situation.

Switzerland is under pressure to resign from groups protesting against the Russian suppression of the Hungarian freedom movement.

The Russian intervention in Hungary nearly stopped Denmark from competing. Finally, after considering protests against Danes competing with the Russians, the Danish Olympic Committee decided to send 32 athletes and leave the decision whether to compete to five Olympic officials.

Norway agreed to send a team but committee members will decide whether to compete after "assessing the international situation." From Stockholm came news of more protests against the Russian intervention in Hungary.

The Hungarians left Prague today for Melbourne. That news followed conflicting reports that they would not compete.

Britain and France have decided to continue with their Olympic plans despite the Middle East flareup.

Vig Vertz Is Voted American League's Comeback-of-Year

New York (P)—Vic Vertz, whose recovery from a sometimes crippling disease gave renewed hope to similarly-afflicted thousands, made the American League comeback-of-the-year in 1956.

Vertz, who fell victim to polio in Aug. 1955, received the votes of 105 of the 178 members of the Baseball Writers Association of America participating in the annual Associated Press poll.

The Cleveland first baseman regained his position as one of the game's outstanding sluggers the past season by walloping 32 home runs and driving in 106 runs. He led the Indians in both departments and was second in the league in homers and third in RBIs.

Charley Maxwell, Detroit outfielder, was runnerup in the balloting with 17 votes. He was followed by Dick Gernert of Boston with 12, Chuck Stobbs of Washington with 10, and Mel Parnell of the Red Sox with five.

IF THERE IS ANY POSSIBILITY OF FISHING DURING AN AUTUMN HUNTING TRIP, TAKE YOUR TACKLE TO CAMP. HUNTING IS USUALLY POOR AT MID-DAY, JUST WHEN THE FISHING IS OFTEN BEST. IN COOL WEATHER, THERE'S LESS NATURAL FOOD FOR FISH AT THIS TIME SO FISH AREN'T TOO CHOOSY.

IF YOU ARE DUCK HUNTING ON A STREAM, KEEP GUN CLOSE FOR INSTANT USE ON PASSING FOWL.

IN A WILDERNESS, BIG GAME IS NORMALLY BEDED AT NOON, BUT ONE MAY UNEXPECTEDLY WANDER BY IF USING A HORSE, TAKE GUN FROM SCABBARD FOR READY USE.

Duff Is Among

(From Page One)

including 4 now held by Democrats.

For numerical control of the House, 218 seats are necessary. In the Senate, which the Democrats control 49-47, just 5 of the 35 races remained undecided. Democrats were ahead in all of them.

Republican Sen. James H. Duff of Pennsylvania, one of Eisenhower's earliest supporters, went down to defeat at the hands of Democrat Joseph S. Clark Jr., 55-year-old former mayor of Philadelphia.

With Duff's defeat in his re-election bid, the Democrats had wrested three seats from the Republicans. In Idaho, they beat Sen. Herman Welker. In Ohio, Sen. George H. Bender of Ohio lost to Democratic Governor Frank J. Lausche.

But the Republicans also had picked up three seats from the Democrats, so the net effect was a stand-off. The Republican gains were made in New York, Kentucky and West Virginia.

The five senate races still undecided were in South Dakota, Oregon, Colorado, Nevada and in one of two Kentucky seats at stake.

In the battle for control of both the House and the Senate in the new 85th Congress that will assemble Jan. 3, Republican candidates generally lagged far behind Eisenhower.

Pennsylvania Gives Ike New Congressman

Philadelphia, (P)—Pennsylvania voters gave President Eisenhower a new Republican congressman yesterday, thereby adding another seat to the state's GOP majority in Washington.

The Republicans returned 16 representatives and added a 17th with the election of S. Walter Stauffer, York.

Stauffer defeated Democratic Rep. James M. Quigley, Camp Hill, to set the balance of power at 17-13 in the state delegation. The Republicans have held a 16-14 edge for the last two years. The Democrats have not had a Pennsylvania congressional majority since 1940.

Stauffer will represent the 19th district comprising York, Adams, and Cumberland counties.

President Eisenhower, who called Stauffer "my congressman," has a farm home at Gettysburg, Adams county. York is the home county of Gov. Leader.

PRESIDENT LOSES HOUSE AND SENATE

Washington, (P)—Democrats clinched control of both branches of Congress today despite the avalanche of votes that swept President Eisenhower back into office in yesterday's election. At 1:23 p. m. they elected their 49th senator to give them a numerical edge. Earlier, at 12:50 p. m. they elected their 219th representative to assure a majority in that branch. Never before in the history of the present two-party system had a president failed to carry to election with him at least one branch of Congress.

Negro Congressman Says He May Quit Democrats

New York (P)—Rep. Adam Clayton Powell (D-N Y.), newly re-elected Negro congressman, says he might quit the Democratic party. He supported President Eisenhower for re-election.

Powell said last night he intends to vote as a Democrat in the organization of the new Congress. But he added: "If the Democratic party becomes the party of Eastlandism, I cannot stay in it."

This was a reference to Sen. James Eastland (D-Miss.), a strong segregationist.

New York (P)—The stock market surged ahead in heavy early trading today in jubilation over the Eisenhower victory. Key stocks throughout the entire list advanced from fractions to 2 points or more.

Industrials paced the advance as solid gains were made by steels, aircrafts, chemicals, motors and nonferrous metals. But rails were contented with narrow fractional rises.

Observers From Behind Iron Curtain at Polls

New York (P)—Election observers from Iron Curtain countries witnessed U. S. democracy in action at polling places in New York City and New Jersey yesterday.

Observers from Russia, Romania and Czechoslovakia toured the polling stations.

"We saw order everywhere," said Romanian observer Constantin Paraschivescu-Balaceanu. "We have not seen anybody interfering with the exercise of citizens' rights to vote."

CORRY FOR IKE

Corry, (P)—Complete returns in Corry's six precincts gave 2,081 votes for Eisenhower and 914 for Stevenson. In the U. S. Senate, Duff received 1,924 votes, Clark 1,042.

HARRY QUITS EARLY!

Kansas City (P)—Harry S. Truman went to bed last night without listening to the election returns, Mrs. Truman said. Earlier the former president had said he would hold a news conference at 10 a. m. (CST) today to discuss the election with reporters, "whether we win or lose."

RELATED QUERIE!

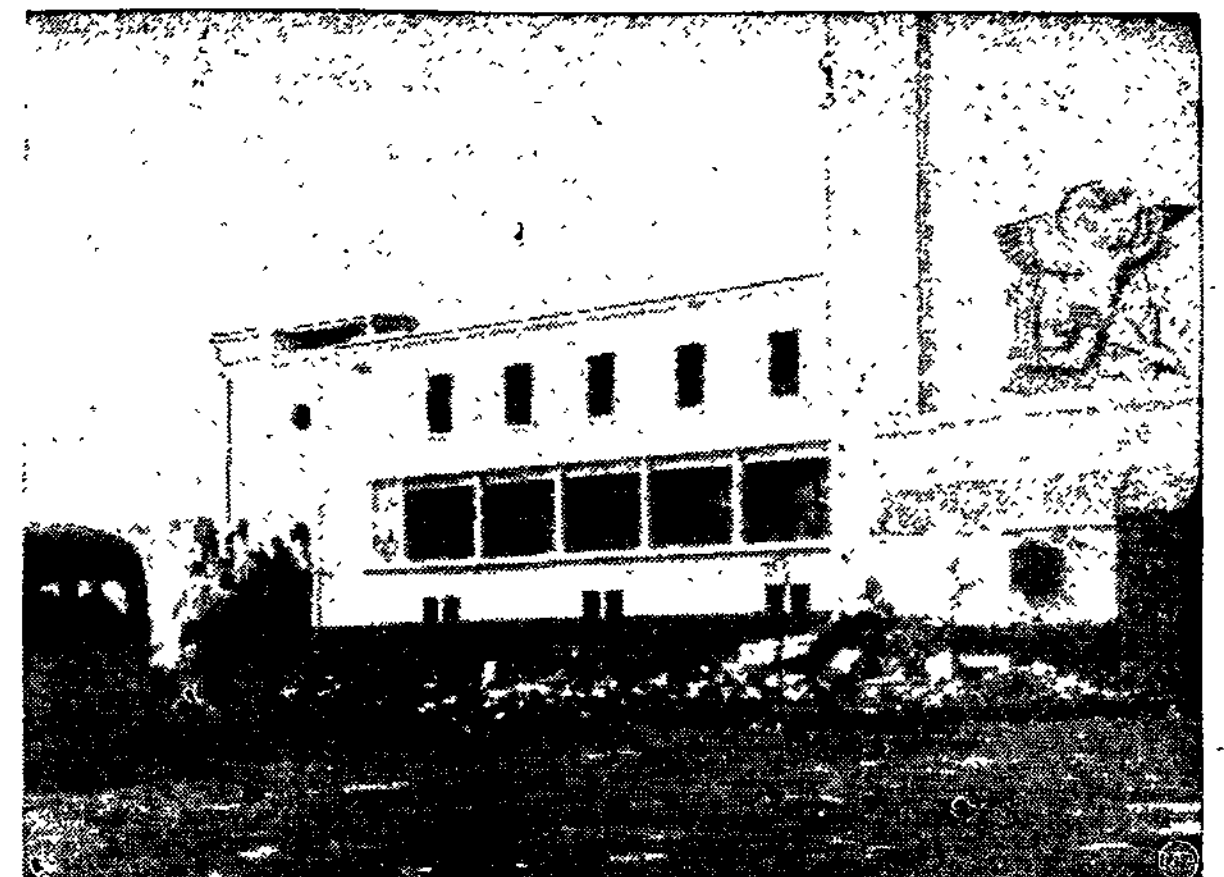

To the complete exclusion of most other news, all radio and television channels last night were devoted expressly to the election. However, apparently that blanket coverage was not quite enough as this morning about 10 o'clock a person, thought to be an elderly woman, called the Times-Mirror office and asked "Who won?"

BOMB TARGET—The Egyptian Military Academy in Cairo shows the scars of battle after it was hit by British and French bombers. Official Egyptian sources said the Anglo-French bombers, using high explosive and incendiary bombs, scored hits on a mosque, a hospital and several airfields during three raids on Cairo.

RESCUE TEAM ENTERS MINE—A rescue team of draegermen prepares to enter mine shaft to attempt to reach 113 men entombed in the No. 4 colliery of the Dominion Steel and Coal Co. mine at Springhill, Nova Scotia. The teams, miners trained in underground emergency and rescue work, drawn from all sections of Ontario, work in half-hour shifts deep inside the gas-filled mine.

Homemakers Plan Annual Countywide Christmas Meeting

The Warren County Extension Homemakers Groups announce the annual Countywide Christmas Meeting to be held all day Wednesday, November 14, at the Lander Community Building. Mrs. Evelyn White, chairlady, will welcome the group and preside throughout the program.

Exhibits will be set up in the library and adjoining room for everyone to see. Mrs. Dale Skinner and her committee will be in charge. Exhibits will include leather carving, copper tooling, gift wrapping, doll displays, decorated cakes, festive table settings, inside and outside decorations, Swedish weaving, copper jewelry, mailing packages, and many others.

The morning session will start at 10:15 with devotions led by the Corydon Extension Group with Miss Viola Doverspike as chairman. The main feature of the morning will be a demonstration introduced by Mr. Bruce S. Knabenshue, Warren Postmaster. Mr. Herman Ryberg will cover "Packing and Wrapping of Packages for Mailing" while Mr. Carl Lindberg will discuss "Addressing, Labeling, and Special Services".

A Swiss steak dinner will be served at 11:30 and at 12:30 at \$1.25 per plate. Table decorations will be furnished by the Lottsville Extension Group with Mrs. Mary Fitzgerald in charge. During this non period everyone will have an opportunity to view the exhibits.

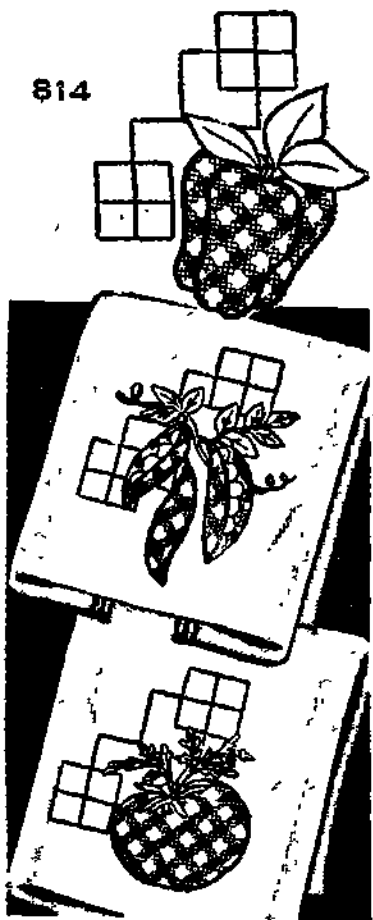

The afternoon program will start at 1:30 with group singing led by Miss Doverspike. Mr. Winkowski of Guildcraft Company in Buffalo as guest speaker will demonstrate the making of attractive jewelry of enameled copper.

There will be plenty of ideas and suggestions for gay, practical, and colorful gifts and decorations for everyone at this meeting.

Extension home economists Gerry Johnston and June Spencer invite all Warren County homemakers to attend this Countywide Christmas Meeting.
